RAVENOL Handreiniger-Paste is a slightly yellowish paste, biodegradable, pH neutral, fresh-smelling wood flour-hand cleaner.

RAVENOL Handreiniger-Paste is sand-free and effective against heavily soiled hands, **cleans, protects and nourishes** the skin with special skin protection agents. Coarse dirt craftsmanship, as well as oil and grease are easily removed. The fine timber flour abrasive substances will be washed away easily with the water and thus prevent the well-known clogged drains. When used, the product is safe and well tolerated.

Application Note

Rub a walnut-sized amount of **RAVENOL Handreiniger-Paste** thoroughly into the hands with a little water to produce a fine foam. Then rinse the loosened dirt with water - dry hands - done!

Storage:

Store unopened in a cool, dry and frost-free environment for at least 12 months.

Close Container after use!

Composition:

Ingredients (INCI Declaration):

Aqua, Lignum Powder, Sodium C 12-C 18 Alkyl Sulfonate, Kaolin, Sodium Dodecylbenzenesulfonate, Disodium Pyrophosphate, Cocamide DEA, Glycerin, Parfum, Methylchloroisothiazolinone, Methylisothiazolinone, Benzyl Alcohol, Limonene
